Hanlin's Iris Gardens

122 Eighth Altizer Addition
HUNTINGTON 2, WEST VIRGINIA

1959 PRICE LIST

MEMBER OF AMERICAN IRIS SOCIETY
STATE INSPECTED STOCK

FOREWORD

Due to a change in public employment this could well be my last price list. Previously, as many of you are aware, Iris growing was my hobby.

Now, I will no longer have time for Iris growing on a large scale. Therefore, my prices are exceptionally low to close out as many as possible this season.

All orders of \$3.50 or more will be postpaid in U.S.A. Please add 35 cents for postage on smaller orders.

Shipping will begin in June and continue as late into Fall as customers request. Always show on order sheet when wanted, and if possible will ship on that date.

I include bonus plants on all orders and if permitted to substitute I can be more generous. Just list several you'd like for me to choose from.

Blooming season is usually May 5th to June 1st. Gardens are open to visitors then. Many like to select clumps while in bloom to take home. No clumps will be divided or separated until late June.

A host or hostesses will be on the grounds after 6:00 P. M., Monday through Friday, and all day on Saturdays and Sundays.

West Virginia residents must pay 2% state sales tax on all orders.

1959 DESCRIPTIVE LIST

ACCENT —Yellow standards, rose-red falls	.90
ADVANCE GUARD —White stitched blue	.30
